44th Annual Conference of ISNSC & 8th Chapter of APSNCON

Dear Colleagues,

Warm Greetings!!

On behalf of the organizing committee of ISNSCCON 2025, we have great pleasure in welcoming you to the 44th annual conference of Indian Society of Nephrology Southern Chapter and 8th chapter of Andhra Pradesh Society of Nephrology to be held at Vijayawada on 1st, 2nd, and 3rd of August 2025.

The ISNSCCON 2025 endeavors the knowledge of various changing needs and developments taking place in the field of nephrology. The scientific programme is tailored in such a way that it provides the latest updates in the field of Nephrology. The programme includes guest lectures by national and international faculty, workshops which help you to update in various procedures which are useful to you in routine daily practice. There would also be a good opportunity for young researchers and postgraduates to present their research work in the form of free papers and posters. I am confident that all scientific content would fulfil the aspirations of participants.

The conference is going to be held at the heart of Andhra Pradesh, that is in Vijayawada, which is close to the most happening place in Andhra Pradesh, Amaravathi, by nephrologists of Vijayawada and Guntur collectively.

Vijayawada and Guntur are well known for freedom fighters, River Krishna, Kanakadurga Temple, Kondapalli Toys, Vundavalli Caves, Mangalagiri Fabrics, Kondaveedu Fort, and Guntur Mirchi and more. We are ready to entertain you with various cultural events by local artists and various performances by our doctor colleagues. This land of River Krishnamma extends a warm welcome to all delegates to enjoy the scientific, cultural, food feast and visit historical places in and around.

We look forward to welcoming all of you for the ISNSCCON 2025. The organizing committee is working hard to ensure that ISNSCCON 2025 will be an academically and culturally enriching and memorable event.

Warm regards

Dr. Siva Rama Krishna Gondi

Special Darshan at Sri Kanaka Durga Temple

Start Your Day with Divine Grace

ISN
INTERNATIONAL SOCIETY
OF NEPHROLOGY

Perched atop the sacred Indrakeeladri Hill, overlooking the serene Krishna River, Sri Kanaka Durga Temple is one of Andhra Pradesh's most revered spiritual landmarks. Here, the goddess is worshipped in ten divine forms—most notably as Mahishasura Mardini, the vanquisher of evil—symbolizing protection, courage, and grace.

Adjacent to the temple stands the Malleshwara Swamy Temple, dedicated to Lord Shiva, adding to the spiritual richness of this sacred hill.

Pilgrims often take a holy dip in the Krishna River before offering prayers, marking a ritual of purification and peace.

We are delighted to offer ISNSCCON 2025 delegates an opportunity for a serene early morning special darshan at Sri Kanaka Durga Temple, including:

Ashirvachanam – Divine blessings from the temple priests

A sacred Kanduva – A holy shawl as a token of grace

Prasadam – Offered from the sanctum of the goddess

Darshan Timings:

- AUGUST 1st - 3rd | 5:30 AM – 7:30 AM | 3:30 PM - 5:30 PM
- (Approx. duration: 1–2 hours)

Welcome to Vijayawada!

As you attend ISNSCCON 2025, immerse yourself in the vibrant culture, rich history, and scenic beauty of Vijayawada. From ancient temples to serene parks, the city offers a diverse array of attractions to enrich your conference experience.

An iconic bridge spanning the Krishna River, Prakasam Barrage is a marvel of engineering and a symbol of Vijayawada's heritage. By day, it facilitates irrigation and transportation; by night, it transforms into a luminous spectacle, making it perfect for evening strolls and photography. Notably, in 2023, it was recognized as a World Heritage Irrigation Structure by the International Commission on Irrigation and Drainage (ICID), highlighting its historical significance and contribution to irrigation in the region.

PRAKASAM BARRAGE

**PANAKALA LAKSHMI NARASIMHA
TEMPLE, MANGALAGIRI**

Situated atop the auspicious hill of Mangalagiri, this ancient Vaishnavite temple is one of the eight sacred Mahakshetras of Lord Vishnu in India. Unique to this temple is the ritual where jaggery water (Panakam) is offered to the deity, believed to be consumed by the Lord himself. The temple's spiritual ambiance and panoramic

Standing at 125 feet, the Dhyana Buddha Statue is a testament to peace and meditation. The statue sits on a lotus platform supported by eight pillars, symbolizing Buddha's Eightfold Path to salvation. The surrounding area is divided into zones representing the Four Noble Truths, offering a serene environment for reflection.

UNDAVALLI CAVES

These 4th-century rock-cut caves showcase a blend of Hindu, Jain, and Buddhist architectural influences. Carved out of solid sandstone, the multi-storied caves house a massive monolithic statue of Lord Vishnu in a reclining posture. The site reflects the religious harmony and architectural prowess of ancient India.
